

### "I CAN FLY" GRADUATE SUPPORT PROGRAMME

The graduate support programme is a service provided for service users who have successfully graduated or left school. Its purpose is to help them adapt to mainstream school life and providing the necessary support if required. Alumni activities and gatherings are constantly often organized.

### 5-S PRINCIPLES & TRAINING

5-S® management system is implemented to organize and manage the Centre's facilities and equipment. We also educate all service users and personnel on the management system and require them to practise the 5-S principles, namely Structurise, Systematise, Sanitise, Standardise and Self-discipline, at all times.

### SHORT-TERM MODIFICATION PROGRAMME & RESIDENTIAL SUPPORTIVE SERVICE

Service users who receive the service of short-term modification programme may retain the school places of their original mainstream school. Our Centre will provide residential support service for them. They may return to their original mainstream school, after significant improvement in their problems has been made, in the period of 6-12 months.

### "HAPPY FAMILIES" - FAMILY SUPPORT SERVICE

We regularly organize activities for families to participate in. Meetings are also held regularly for parents to come together and discuss parenting issues.

### WITHDRAWAL FROM SERVICE

If there is a marked improvement in a service user's behavior and performance; or the issues leading the service user requiring our service have been resolved; or at the request of the service user's parents/guardians, a withdrawal from the service may be carried out with the combined approval of the referee, service users, parent/guardian, the Superintendent of the Centre and the Principal of the Shing Tak Centre School. In the case where a service user's conduct may endanger other service users or members of staff, we reserve the right to discharge the said service user from the Centre to ensure the general safety others within the Centre.

### SERVICE ENQUIRY

For application or enquiries of our service, please browse our website or contact us by phone.
